RESOLUTION APPROVING CITY OF BELMONT INVESTMENT POLICY

Honorable Mayor and Council Members:

Summary

Annually, the Treasurer is required to render to the Council at a public meeting an annual investment policy for their acceptance. That policy is attached for your consideration. There are no changes proposed to the policy at this time.

Background

The State of California Government Code Section 53646, amended by the passing of Senate Bill No. 564, requires the Treasurer to render to the Council at a public meeting an annual investment policy. The intent is to provide the local governing body with the authority to accept the policy.

At their January 5, 2006 meeting, the Finance Commission of the City of Belmont recommended City Council's acceptance of the policy.

Discussion

The Investment Policy, as recommended, affirms the Treasurer's fiduciary responsibility to safeguard public assets. The policy places a high priority on insuring safety of principal first and then insuring that the liquidity needs for payment of City obligations are met prior to considering yield on investments.

Fiscal Impact

None.

Public Contact

The agenda has been noticed.

Recommendation

Accept the proposed City of Belmont Investment Policy.

Alternatives

1. With direction, refer the presented Investment Policy back to the City Treasurer.
